PROJECT OF STATUE OF PADMASAMBHAVA AT MUNNEY, ZANSKAR (HIMALAYA)

With the intention of offering the blessings of Padmasambhava (Guru Rimpoché) to the inhabitants of the Lungnak valley as well as to all travellers on the road between Padum (Zanskar) and Darcha (Himachal Pradesh), the monks of the Muney monastery as well as the population of the village have formed the project to erect a statue of Padmasambhava.

They then asked Rigzen and the Rigzen-Zanskar Association to support them in their search for financial support for their beautiful project.

The villagers are looking forward to participating in the construction of this monument which will be seen from afar and will deliver its benefits to the whole valley. They already express their deep gratitude to all those who are enthusiastic about this project and wish to support it with their generosity using the below QR code.

Special ARZ bank account « Statue Muney »
